Verification of State Qualifying Indoor Track And Field Standards

DIRECTIONS:

1. Complete one form for each athlete or relay team meeting the state meet entry standard in a meet of three (3) or more schools.
2. Submit two (2) copies for each state entry (individual or relay) whose state qualifying performance is better than their best regional meet (trial or final) performance to your regional meet director with our state entry forms.
3. Only those athletes who place among the top six (6) and relay teams which place among the top three (3) in their regional meet or who meet the state standard in a meet of three (3) or more teams as verified on this form are eligible for the state championship meet.
